- Abundantly flowering, all summer long
- Extraordinary coloured flower hearts
- Exclusive colours
- Very strong, healthy roses (disease-free)
- Winter hardy

Persica roses is a trademark from JAN SPEK ROZEN - Holland

POT SIZES

4.2L / 21 cm

Available from June to October

LABELS

Gentle and caressable, like Hugs and Kisses® should be. The shape and soft appearance of the label strengthens the loving gesture of giving this fragrant rose as a gift. You can find valuable information about the planting and care of these extraordinary coloured roses on the back of the label. A rose to love.

7.5L / 26 cm – on stem

Available from June to October

POT PRINTING

The garlands of hearts on a striking pink pot attracts attention on the shop floor. An attractive pot printing together with a loving rose that stimulates the senses. Hugs and Kisses® caresses you with her rich flowering, seduces you with her remarkable coloured flower heart and conquers you with her delicious fragrance.
